

INREIT

— REAL ESTATE INVESTMENT TRUST —

May 29, 2007

To Whom It May Concern:

INREIT worked with Lexstar Development & Construction on the WestPointe Centre development in Fargo, North Dakota. Lexstar designed the retail strip center and provided the construction management on the center. We are extremely pleased with the results of the Lexstar team's efforts. The WestPointe Centre development is very beautiful and was completed within budget, I might add.

Respectfully,

INREIT REAL ESTATE INVESTMENT TRUST

Randy I. Westby, CPA
