To Whom It May Concern:

This letter serves as my testimonial and recommendation on behalf of Lexstar Development & Construction.

I have known the principals of this corporation since its inception and have always known them to be honorable and reputable. My company currently participates in a joint investment with Robert Leslie and Lexstar in one of their Fargo, ND projects. I would recommend them without hesitation.

Please feel free to contact me at any time if you require further information.

Sincerely,

R. D. OFFUTT COMPANY
