1635 42<sup>nd</sup> Avenue South  
Fargo, ND 58103

Dear Mr. Leslie:

I am writing to you today in order to thank and recognize you for the many ways you have supported the Center and the individuals with disabilities we serve.

Since its inception three years ago, you have generously provided at no charge, food vouchers that we have used in our 'Consumers Recognition' program. Also, for the last two years the Lexstar firm has provided important and meaningful work and income for our clients by trusting us to destroy your sensitive documents. Additionally, as one of the owners of the Ramada Plaza Suites and Conference Center, you have consistently made available employment opportunities for a number of our workers over many years.

It is important that I take this time to recognize your generosity and commitment to workers with disabilities. Please accept my thanks for all you do for those here at the Vocational Training Center.

Sincerely,

Terry S. Paulson
