To Whom It May Concern:

I have known Bob Leslie since he first came to the Fargo-Moorhead area in 1993 to work on the Ramada Plaza Suites. Since that time, I have had the pleasure of working with Mr. Leslie both professionally and personally. On a professional basis, I was representing Wells Fargo as first its Bank President and then its Regional President. In our organization's dealing with Mr. Leslie, we have always found him to be an honest, open individual who could be counted on to live up to an agreement. Additionally, I have witnessed Bob's outstanding creativity and unmatched persistence.

From a personal perspective, Bob has genuine warmth and concern for people, and he is someone who is deeply committed to his family.

If you have any questions regarding Mr. Leslie, please do not hesitate to contact me.

Sincerely,

Pete Fullerton
